<p>NOTES: Dear David, Per our conversation, attached are two documents:</p> <p>1. A list of Region 6 stakeholders who should receive notification of the May perchlorate stakeholders forum. These names/addresses were taken from the registration list from the Henderson and Phoenix stakeholders forum and one addition of someone I met at the Ontario conference. You may want to check in with Rachel Sakata who put together the Salt Lake City registration list to see if any Region 6 individuals attended that forum.</p> <p>2. My remarks from the Ontario, CA perchlorate conference regarding the Region 9 Superfund Team of the Year award. It's not exactly what I ended up saying but it's close.</p> <p>If you have any questions, please feel free to call.</p> <p>Thank you.</p>
